Deb Purvis called the workshop to order at 5:10pm. The workshop was strictly for discussing and calculating different types and scenerios of rate structures. Rick Stryker assisted with input as requested. It was determined that more time was needed and Board members agreed to reconvene after the regularly scheduled meeting.

Deb tabled the meeting at 6:00pm in deference to the regular meeting.

At 7:45pm, Deb reconvened the workshop. The Board took a look at the water usage of several of the business to compare to the different rate structures the Board was considering. No decisions were made and Deb dismissed everyone at 8:40pm.

Respectfully Submitted,
